How to Post a Job

To access the applicant tracking system, go to www.ueijobs.com

Select "Supervisors".

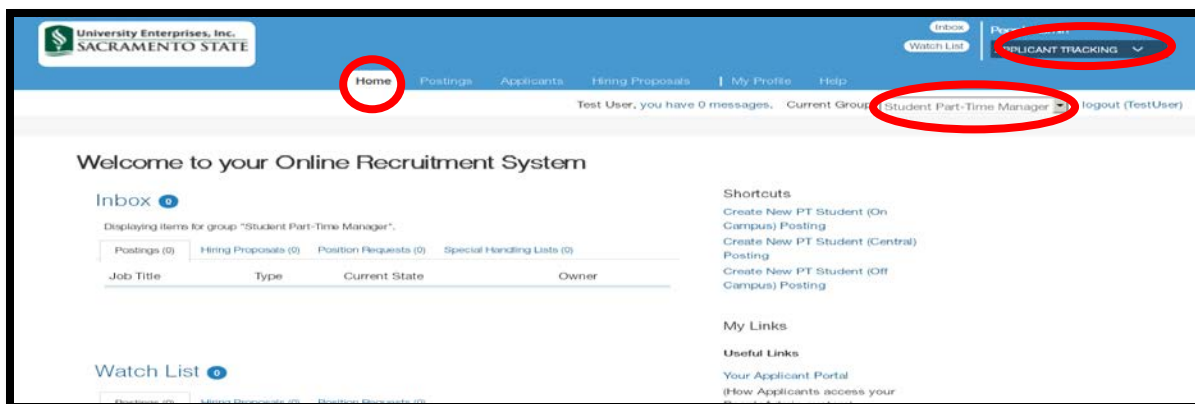

You will be redirected to a log in page.

Type in your username and password and select "Login".

First time users - See our "How to Request a User Account" instructional sheet.

When you log in, the "Home" page defaults to the "Applicant Tracking" module and the "Current Group" defaults to "Student Part-Time Manager". You must be in the correct module and correct role to proceed.

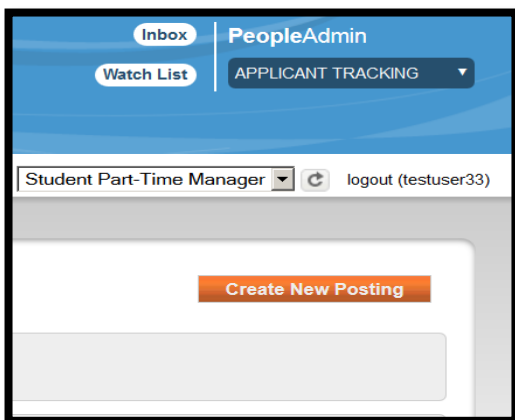

Create New Posting

On the menu bar, select “Postings” and select one of the following posting types:

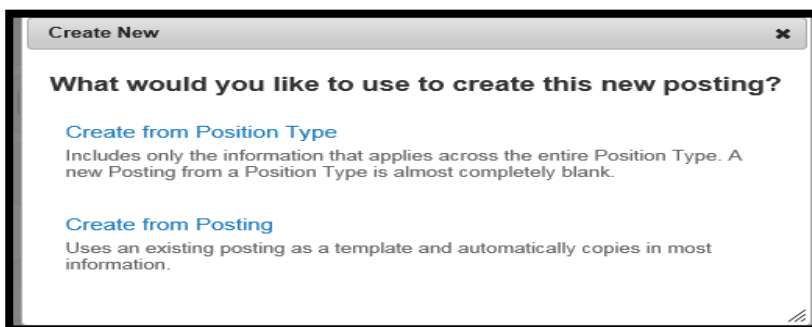

- **PT Student (On Campus)** — Select this option if you are recruiting students or part-time casual employees for either the University Union/WELL or UEI grant funded projects.
- **PT Student (Central)** — Select this option if you are recruiting students or part-time casual employees for either Dining Services or UEI 3rd floor departments.
- **PT Student (Off Campus)** — Select this option if you are a CA Intern Network client recruiting student assistants/ interns to work off campus at a CA state agency, city, county, or business.

Select the orange “Create New Posting” button located to the right of the screen.

Select from the following two options:

- **Create from Position Type** — Use this option if you do not have a previous posting. You will be creating your posting from scratch.
- **Create from Posting** — Use this option if you have a prior posting in the current system. You will be able to edit fields to make changes.

Fill in the job title on the “New Posting” page.

- Job titles are typically expressed as “Student Assistant”, “Graduate Student Assistant” or “Student or Graduate Student Assistant” followed by a title descriptor. For example “Student Assistant – Accounting”.
- UEI Human Resources will review the job title to ensure consistency which results in better searches and more applicants.

Be sure the “Accepted Application Forms” box at the bottom of the page is checked.

Select either of the orange “Create New Posting” buttons located to the right of the screen.

The screenshot displays the 'New Posting' page in the PeopleAdmin system. The page is titled 'Postings / PT Student (Off Campus) / New Posting'. The main content area is divided into sections: 'Required Information' with a 'Job Title' field containing 'Student Assistant - IT Support'; 'Organizational Unit' with dropdowns for 'Location' (Off Campus), 'Division' (Private), and 'Department' (Strategic IT Staffing (SIS)); 'Online Applications' with a checked checkbox for 'Accept online applications?' and a text area for 'Special offline application instructions'; and 'Accepted Application Forms' with a checked checkbox for 'PT Student_Off Campus'. Two orange 'Create New Posting' buttons are circled in red, one at the top right and one at the bottom right. The footer includes the PeopleAdmin logo and copyright information.

Complete all of the fields in the job posting template and select “Next”.

Not all fields are required; however, completing all fields enhances the posting and typically increases the quality of the applicant pool.

Note: A Job Posting Field Definition document and sample Job Description Library can be found online at www.ueijobs.com. We hope you find these resources helpful.

Supplemental Questions

The use of supplemental questions; while optional, help screen out unqualified applicants and enhance the recruitment process. This is especially helpful with large applicant pools. UEI Human Resources will add supplemental questions that help determine an applicants eligibility to participate in our program.

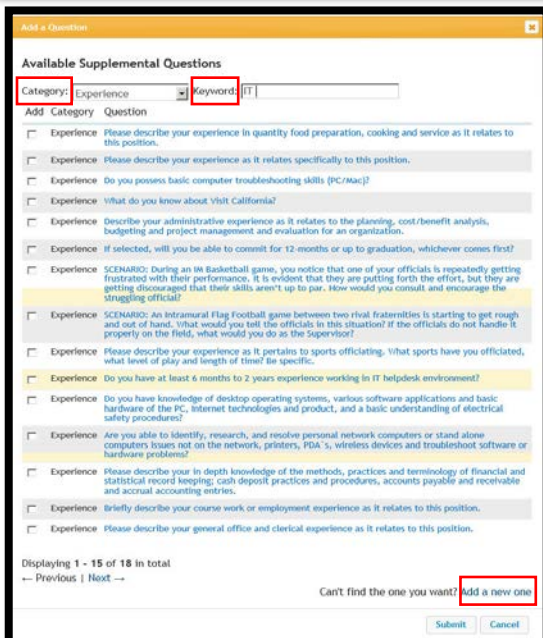

Supplemental questions should relate to the minimum qualifications for the position and are categorized as either "educational based" or "experience based". Questions can be open or close ended with a point value assigned for screening purposes and disqualification.

See the *Sample Job Description Library* at www.ueijobs.com for examples of job postings that contain supplemental questions.

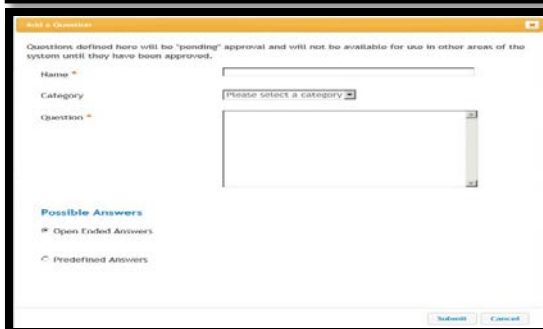

To add a question, select "Add a question".

If you don't want to add a question select "Next"

You can search for available supplemental questions by either Category or by Keyword search. To add a question that is already in the system, check the "Add" box next to the question and select "Submit".

To create a question, select "Add a new one" and then select "Submit".

Name your question, select the appropriate category and add the question in the question text box.

Select "open ended" if it's an open ended question or "predefined" if it's a "closed ended" answer.

Questions defined here will be "pending" approval and will not be available for use in other areas of the system until they have been approved.
