

UNIVERSITY ENTERPRISES, INC.
Campus Grants Program Committee Meeting
Friday, December 1, 2017
11:00 a.m. – 12:00 p.m.
UEI Boardroom

Present: Liz Baidoo
Sandra Gallardo
Jamie Hoffman
Jasmine Jacquez
Monica Kauppinen
Steve Perez

Staff Present: Michael Calvillo
Cossette Leos

The meeting was called to order at 11 a.m. in the UEI Board Room. The purpose of the meeting was to review the 51 Campus Grants Program proposals submitted by the October 20, 2017 deadline. The Committee had \$60,000 to allocate; the dollars of support requested totaled \$200,617.90.

The Campus Grants Program reflects UEI's investment in the ongoing vitality of the campus community and the important role played by innovative faculty, student, and staff projects. With that in mind, the Committee recommends funding for 21 of the 51 proposals reviewed, totaling \$59,695.18. Pursuant to the attached spreadsheet, the proposals recommended for funding are:

- *Parking Garage Car Counter*, Mechanical Engineering (Timothy Hagen)
- *Navigating Social Interactions*, SSWD (Ja'Cinta Mixon)
- *CSU Campuses Unite: Sac State Reaches Beyond Our Borders for Alternative Spring Break*, Community Engagement Center (Francine Redada)
- *Capitol Storytelling Project*, College of Education (Lisa Cantrell)
- *Calaveras Station Arts and Literary Journal* (Emiliann Ferguson)
- *SFA Spring Fashion Show: Community, Family & Consumer Sciences* (Phuong Mai)
- *Assessing the Mental Needs of AAPI Students*, Student Health & Counseling Services (Reva Wittenberg)
- *Sacramento State Coffee & Consent Project*, Office of Equal Opportunity (Regeena Lewis)
- *Dream Connections: Focused Discussions and Practical Knowledge for Students Affected by Undocumented Status*, Child Development Program (Basia Ellis)
- *3D RecycleZ*, Mechanical Engineering (Brian Lee)

- *Development of a Flow Visualization Laboratory*, College of Engineering & Computer Science (Farzan Kazemifar)
- *Bushy Lake Experiential Education and Riparian Restoration Research Project*, Environmental Studies (Michelle Stevens)
- *Dual Photobioreactor as Carbon Dioxide Capture Unit and Microalgae Cultivator*, ECS (Farshid Zabihian)
- *Project Shaking Hands on the Water*, Recreation, Parks & Tourism Administration (Heather Everett)
- *Internal Combustion Engine Workshop Series*, Hornet Racing (Zachary Putzig)
- *Thought-Controlled Wheelchair*, Electrical & Electronic Engineering (David Gomez)
- *Sophomore Bridge 2018*, Educational Opportunity Program (Rosana Chavez-Hernandez)
- *Design & Manufacturing of a Solar-Wind Hybrid Outdoor Lighting System*, ECS (Farshid Zabihian)
- *Transfer Success for Students with Disabilities*, SSWD (Carol Houston)
- *Scholarship Awareness Project*, Financial Aid & Scholarships (Jennifer White)
- *Student Affairs Leaders of Tomorrow Certificate Program*, Student Affairs/ASI (Danielle Munoz)

The meeting was adjourned at 1:15 p.m.

Respectfully submitted:

Liz Baidoo
Chair
